**Golden Predator Mining Corp. Announces Termination of Arrangement Agreement
with Viva Gold Corp.**

Vancouver, BC, May 3, 2021: Golden Predator Mining Corp. (TSX.V: GPY; OTCQX: NTGSF) ("Golden Predator") announces that the Company and Viva Gold Corp. ("Viva Gold") have mutually agreed to terminate the arrangement agreement dated March 2, 2021 for the proposed acquisition of all of the issued and outstanding shares of Viva Gold by Golden Predator. Golden Predator also advises, regardless of the terminated Agreement with Viva Gold, Golden Predator will proceed with its plans to distribute 8,620,000 common shares of C2C Gold Corp. to shareholders of record of Golden Predator Mining Corp. by way of a return of capital transaction. A date of record will be announced.

Golden Predator will continue to focus on advancing its Brewery Creek project in the Yukon through the permitting renewal process. The Company is working with the Yukon Department of Energy, Mines and Resources, and the Yukon Water Board to renew its mining and water use licenses, with the ongoing support of the Tr'ondek Hwech'in First Nation.

ABOUT GOLDEN PREDATOR MINING CORP.

Golden Predator is advancing the past-producing Brewery Creek Mine towards a timely resumption of mining activities in Canada's Yukon. The project has established resources grading over 1.0 g/t Gold and both a technical report and Bankable Feasibility Study underway to define the economics of a restart of heap leach operations at the Brewery Creek Mine. The 180 km² brownfield property is located 55 km by road from Dawson City, Yukon and operates under a Socio-Economic Accord with the Tr'ondëk Hwëch'in First Nation. The Company also holds the Marg Project, with a 43-101 compliant resource, the Gold Dome Project and Grew Creek Project.
