## GOLDEN PREDATOR PROVIDES UPDATE ON GROUP 11 TECHNOLOGIES

**Vancouver, BC, July 26, 2021: Golden Predator Mining Corp. (TSX.V:GPY; OTCQX:NTGSF)** ("Golden Predator") is pleased to advise that Group 11 Technologies Inc., a private US-based company held 20%, pre-financing, by Golden Predator, has completed a USD \$1 million financing with accredited investors. Proceeds will advance test work to assess the amenability and recovery rates for gold extraction through the combination of in situ recovery technology and an environmentally friendly water-based solution.

### **About Group 11 Technologies Inc.**

Group 11 is a private US-based company committed to the development and application of environmentally and socially responsible precious metals mineral extraction. The combination of in-situ recovery extraction (ISR) technology and environmentally friendly water based chemistry to recover gold and other metals provides a promising alternate solution to conventional open pit and underground mineral extraction. The goal of advancing sustainable extraction considers growing concerns surrounding water use and discharge, carbon footprint, energy consumption, community stakeholders and workplace safety while addressing a growing global need for metals in our daily lives. Group 11 was founded by **Enviroleach Technologies Inc.** (CSE: ETI; OTCQB: EVLLF), **Encore Energy Corp.** (TSXV: EU; OTCQB: ENCUF) and **Golden Predator Mining Corp.** (TSXV: GPY; OTCQB: NTGSF).

*Group 11 is a group of elements in the periodic table, also known as the coinage metals, consisting of gold (Au), silver (Ag) and copper (Cu).*

### **About Golden Predator Mining Corp.**

Golden Predator is advancing the past-producing Brewery Creek mine towards a timely resumption of mining activities in Canada's Yukon. The project has established resources grading over 1.0 g/t gold and both a technical report and Bankable Feasibility Study underway to define the economics of a restart of heap leach operations at the Brewery Creek mine. The 180 km<sup>2</sup> brownfield property is located 55 km by road from Dawson City, Yukon and operates under a Socio-Economic Accord with the Tr'ondëk Hwëch'in First Nation. The Company also holds the

Marg project, with a NI 43-101 compliant resource, the Gold Dome project and the Grew Creek project. Golden Predator holds 17.65% of Group 11 Technologies Inc. in addition to holdings in Seabridge Gold Corp. and C2C Gold Corp.

**Cautionary Statements**

Certain information contained herein constitutes forward-looking information or statements under applicable securities legislation and rules. Such statements include, but are not limited to, statements with respect to the anticipated completion of the Transaction and the acquisition of the Marg Project. Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made and are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of Arizona and/or Golden Predator to be materially different from those expressed or implied by such forward-looking statements, including, but not limited to: (i) any inability of the parties to satisfy the conditions to the completion of the Transaction on acceptable terms or at all; and (ii) receipt of necessary stock exchange, court and shareholder approvals. Although management of each of Arizona and Golden Predator has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate. Accordingly, readers should not place undue reliance on forward-looking statements. Neither party will update any forward-looking statements or forward-looking information that are incorporated by reference herein, except as required by applicable securities laws. The parties caution readers not to place undue reliance on these forward-looking statements and it does not undertake any obligation to revise and disseminate forward-looking statements to reflect events or circumstances after the date hereof, or to reflect the occurrence of or non-occurrence of any events.

This press release is not and is not to be construed in any way as, an offer to buy or sell securities in the United States. The distribution of the Arizona common shares in connection with the transactions described herein will not be registered under the United States Securities Act of 1933 (the "U.S. Securities Act") and the Arizona common shares may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the U.S. Securities Act and applicable state securities laws. This press release shall not constitute an offer to sell or the solicitation of an offer to buy the Arizona common shares, nor shall there be any offer or sale of the Arizona common shares in any jurisdiction in which such offer, solicitation or sale would be unlawful.

Neither the TSX, the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX and TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
